

Building High Performance Government Through Lean Six Sigma: A Leader's Guide to Creating Speed, Agility, and Efficiency (Hardback)

By Hundley M. Elliott, Walter Mores, Mark Price

McGraw-Hill Education - Europe, United States, 2011. Hardback. Condition: New. ed. Language: English. Brand new Book. Private Sector Strategies for Public Service Leaders No corner of the government or public sector has been spared from budget turmoil in recent years. Among budget cuts, increased requirements, and new threats and challenges, governments typically balance the scales through (1) increased funding and/ or (2) rationalizing services or service levels. This book gives you a third option. It's called high performance, and it's been implemented in the private sector-with great success-for more than two decades. This hands-on guide, written by the global consultants from Accenture, shows you how to apply these business principles in any public organization. Learn how to: Improve the outcomes you deliver- while lowering the cost to deliver them. Streamline your operations-by increasing speed, agility, and efficiency. Build a high-performance "anatomy" to strengthen your organization. Manage assets, decrease risks and losses, and deliver true excellence. Featuring case studies from the public sector, including federal, state, local, agencies, bureaus, and departments, this unique guide takes you inside government organizations, where high performance "anatomy" is already making a difference. You'll discover low-cost techniques deployed by the Naval Air Systems Command and the IRS, as well as high-performance solutions for...
